

Leah Johnson
United States

Dr. Leah Johnson is the Director of Professional Affairs for CooperVision Specialty EyeCare, Americas. She is responsible for the development and implementation of clinical and educational programs supporting current and future eye care practitioners across the Americas and China.

She is a graduate of the University of Houston, College of Optometry where she also completed a post-doctorate fellowship in Cornea & Contact Lens. Afterwards, she practiced in Houston, Texas with a concentration in specialty contact lenses. She currently serves at the University of Houston, College of Optometry as clinical adjunct faculty, focusing on Myopia Management Services. Dr. Johnson is a fellow of the American Academy of Optometry and the Scleral Lens Education Society.

Dr. Johnson has spent extensive time in China, which contains the highest numbers of myopic children. There she works collectively with key opinion leaders and eyecare professionals to bring a better understanding of myopia and supports selecting the best treatment options that enhance patient outcomes and care.
