

Hamish Thrum
Australia

Hamish Thrum (CooperVision Senior Director Myopia, APAC) - has spent the last 11 years working in the Asia Pacific Region, mostly based in Singapore with his family, and travelling extensively across the region. During that time China and Japan have been his biggest focus and most successful markets.

Alongside a formal education in Science, Business Administration and Marketing, Hamish has 24 years experience in the medical device industry. With various role in sales and marketing, his focus has always been in Healthcare with extensive experience in surgical field including orthopaedics, cardiovascular, neurology and plastic surgery.

Hamish's experience with CooperVision over the last 30 months has been exclusively in Myopia Management, having responsibility for the commercial roll out in MiSight across Asia Pacific. In that time, the successful approval and launch of MiSight across Taiwan, South Korea and China have help to contribute to more many more children having access to Myopia Management treatments across the APAC region.
